Dear Jack,

Gotham College wants to learn more about your experiences in college. What challenges have you faced as a student? What are some of the great things that Gotham has done to support you?

You can tell us about your experiences via our short, 10-minute survey. Just log into our website and enter the access code:

You are part of a select group invited to take the survey, and your participation is very important as Gotham College works to help their students, so please take a few minutes to help us with this project. Your responses are confidential and your participation is voluntary. If you have any questions, please contact Stephen Porter at [research@risc.college](mailto:research@risc.college).

We thank you in advance for your help.
